

## Birthday Parties at Flandrau Science Center & Planetarium

Thank you for choosing Flandrau Science Center & Planetarium for your special birthday celebration. We hope you have a fun visit discovering the wonders of science!

### Birthday Party Tips & Guidelines:

- You are welcome to arrive up to 30 minutes early to set up for your party. Please call our front desk at **520-621-4516** when you arrive. Our staff can guide you to our loading dock and help you unload.
- You will need to bring your own food, drinks (no alcohol) and serving materials.
- Please note the University of Arizona has a strict no-open flame policy which prohibits use of any flames for catering and/or birthday candles in all university buildings and on university grounds.
- A refrigerator with freezer is available for use in the party room.
- Please enjoy your food and drinks in your designated party room only.
- You are welcome to use tabletop decorations and balloons.
- No piñatas, confetti, or glitter please.
- All birthday guests must have a wristband that will be distributed by your Flandrau party host.
  - Parents who are just dropping off their child can escort them to the party room but do not need wristbands.
  - We will use the wristbands to count the number of attendees to calculate the final cost for your party.
  
- The base price includes up to 15 guests which includes every person that attends the party ages 3 and older, excluding the person celebrating their birthday.
- Children must be accompanied by an adult at all times.
- Please be considerate of other guests while in the exhibits and planetarium show.
- Printable invitations are available on our website:  
<https://flandrau.org/event/birthdayparties>
- Use of the party room beyond the scheduled time must be arranged in advance. Extended time must be within normal business hours and will incur a fee of \$100/hour.
- If you have any questions leading up to the party, please call Flandrau 520-626-2308.

We look forward to having your birthday celebration here at Flandrau Science Center & Planetarium!
